Opaque cassettes have a raised section, spool holes, and window in the center, as well as a raised frame on the outside. It is advised to not put artwork in these sections as it will distort your text or image.

Please maintain our standard image size of 5” x 5” & 1000 dpi

Standard print area: Please make sure your artwork is a minimum of 6 pixels thick with 6 pixels of space between lines

COLOR 1: COLOR 2:
Do not merge your art into the template! It must be in its own layer.
Artwork must be black regardless of selected pad print ink colour.
We recommend a minimum size 6 font to ensure legibility.
