Matte cassettes have a completely flat print area. You can print the entire standard print area. Just mind the spool holes.

Standard print area is within this section

**COLOR 1:** **PLEASE READ**

- Do not merge your art into the template! It must be in its own layer.
  - Please include bleed.
- Artwork must be black regardless of selected pad print ink colour.
  - We recommend a minimum size 6 font to ensure legibility.
- All artwork/text must be at least 6 pixels by 6 pixels thick to ensure visibility.
- Empty space between art should be minimum 6 pixels by 6 pixels thick to ensure ink will not run and fill up the gaps.
